### Full job description

#### Your new company

Your new organisation is an industry leader, with business segments providing advanced Defence and Commercial technologies across Air, Land, Sea, Space and Cyber Domains. This company has an exciting opportunity for a Cost Modeller to join their team based in Adelaide.

#### Your new role

This is a junior role for someone who is ready to grow their career and be mentored by the senior staff. As a Cost Modeller your primary duties will include:

- Development of Total Cost of Operations for models that incorporate all project costs
- Development of Project Cost Models to support scenario analysis and approval processes
- Development of pricing models
- Provide support to other projects as required
- Routine reporting of task progress
- Regular communication with key stake holders

#### What you'll need to succeed

- NV1 Security Clearance
- Experience in Accounting/Cost Modelling
- Accounting Qualifications - Extensive Financial modelling experience and knowledge of the Defence Finance processes
- Experience supporting projects
- Stakeholder and Communications management experience
- Ability to work in an agile environment

#### What you'll get in return

You will be offered a competitive salary structured with milestone salary incentives as you grow in the role. This is a permanent position in an organisation that is expanding, offering you a secure and challenging work environment.

**What you need to do now**

If you're interested in this role, click 'apply now' to forward an up-to-date copy of your CV, or contact Varun Bhat on +61 8 7221 4169 or [varun.bhat@hays.com.au](mailto:varun.bhat@hays.com.au) for further information.

At Hays, we value diversity and are passionate about placing people in a role where they can flourish and succeed. We actively encourage people from diverse backgrounds to apply.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.
